

FIM ISDE 2022 FRANCE

BETA, DIRT RACING and OXMOTO at the International Six Days of Enduro 2022 with race and rental services.

In occasion of the ISDE 2022, DIRT RACING and OXMOTO, in collaboration with BETA offer riders the opportunity to participate to the legendary race with a limited edition of the RR 2T/4T MY 2023.

The BETA RR 2T/4T "SIX DAY FRANCE" bikes will be available exclusively for the riders of 2022 FIM ISDE. The bikes will be available in both 2-stroke and 4-stroke and each bike, in addition to the standard configuration, will be enriched and prepared with the components below:

- KYB front fork
- AXP radiator protection kit
- Acerbis clutch and crankcase protection
- Muffler protection (for 2 stroke)
- AXP plastic engine guard with linkage protection
- Beta clutch actuator cover in ergal
- Six Days 2022 graphic kit
- Electric fan
- Clutch levers and front anti break
- Chain and racing sprockets
- Suspensions prepared and adjusted according to riders' weight / riding style

All the bikes will be delivered in the ISDE 2022 Paddock during the days before the race days.

Rental cost

BETA RR 2T and 4T: € 3.400 including VAT

In addition to the equipment above, it will be possible – on request and for a fee – to have a further customization of the bike (e.g. higher seat, special handlebar, full rear disc etc.). Both Dirt Racing and Oxmoto teams will take care of any additional request of the riders.

A full race service will also be offered for both those who will rent the bike (mandatory) and those who will participate with their own bikes. The number of available places for race service for those attending with their own bikes is limited.
